

# BERLIN LOOPS

An ongoing project from late 80's til this day. Interactive and site-specific sound installations plus screenings. In various rooms of Projektraum/ Art House Bethanien (Mariannenplatz, Berlin) May 25-31 2023.

## **sonic objects ;**

### **DJ Amsel**

*CDJ with sound of Blackbird recorded in a courtyard Leuschner Damm.  
Perfect for scratching.*

### **DJ Hochbahn**

*CDJ with sound from squeeling S-Bahn between Görli and Schlesisches Tor.  
Perfect for changing the pitch.*

### **Bell Piece**

*bike bells and church bells on a samplepad collected from nearby churches of St Thomas, St Joacobi and St Michael. To be performed freely by visitors*

### **Haiku Mix**

*cassette recorders for vocal contributions. Either for prewritten site specific haiku poems or those written by public*

### **Flüsterecke**

*gathered names from "Stolpersteine" from the close surroundings and elsewhere. Visitors can push a looper and whisper a name or two creating a sonic webb with previous contributions. A vocal memorial if you will.*

## **screening reception room;**

### **Helmiloop**

*filmed fascades from 90's Helmholtzplatz. With super 8 camera by bike performing a loop.*

## **moving art screenings ;**

**Potsdamer Platz**

two dancers ( Katharina Scheidtmann, Sinja Völl ) filming themselves in the public space. Turning around their axis while full moon was executing its astrophysical grand loop.

Sound from traffic together electric guitar and a neighboring prominent Berlin orchestra tuning their instruments in a nearby building.

**S-Bahn Poetry**

*a ride with S-Bahn/Ring-Bahn with dancer Sinja Völl. Documentation of graffiti inside and outside the train on various walls surrounding the Metropolis.*

*( concrete sound from S-Bahn + readings of haiku and tanka-poems )*

**Bethanienloop**

*A filmed poem with dancer Sarah Vella (C-Company) performing at studio 2 inside the Bethanien house.*

*( piano score after A.Kiefers painting Johannisnacht )*
